

Alex Kwok

Qualifications Summary

Alex brings over 35 years of working experience that is not limited to finance and accounting. Starting from being Dept. of Defense Major Contracting, he also served as the Navy's South Asia Comptroller and Logistics Coordinator. He moved on to complete his MBA while working full time supporting the Y2K initiative during the mid-1990s. With his special talent of being fluent in Mandarin and Cantonese Chinese, he migrated to Singapore in 1999 and provided corporate controllership and accounting support across many large enterprises within the Asia region.
