Accomplishments

- Integrated \$200M in acquisitions and multiple import distribution agreements into company operations, enabling significant company growth from \$25M to \$800M in sales.
- Researched and established branch sales offices in Asia, Europe, and Latin America, including accounting, tax, banking, HR, and compliance support for over 40 countries.
- Re-structured, built and developed strong accounting organization to more effectively meet Sarbanes-Oxley compliance, while supporting double digit annual company growth rates.
- Reduced monthly and quarterly financial close cycle from six to three days.
- Built, improved or dismantled financial processes and infrastructure that effectively supported and influenced strategic initiatives and decisions with stakeholders, while enhancing organizational and individual capability.
- Led financial turnaround of non-profit from a deficit of \$1 million to a surplus of \$2.1 million in one fiscal year, through cost controls, and streamlined processes and people resources.
- Developed IT strategy, managed JD Edwards ERP implementation, and developed a production support plan for \$400M construction company; project was on time and 15% under budget.
