Accomplishments

- At multiple organizations, revamped and implemented financial close and internal control procedures and trained and mentored the accounting team.
- Successfully implemented processes to reduce the month-end closing timeline at several organizations, leading to reduced closing times ranging from five days to over two weeks.
- At multiple organizations, managed all aspects of finance and accounting, including daily transactions, reporting, budgeting and planning, asset management, and banking relationships.
- Collaborated with executive leadership team members, providing budgetary advice and counsel, cost analysis support, and guidance on fiscal compliance with contractual requirements.
- At multiple organizations, adopted ASC 842 Lease Accounting, ASC 820 Fair Value Measurement, and ASC 606 Revenue Recognition.
- At multiple organizations led the successful completion of annual audits; this included Single Audits for nonprofits. Completed a first-year audit with no material weaknesses identified for an organization that went through an acquisition in 2021.
