

Jing Liu-DiPiero

Qualifications Summary

Senior finance leader, CFO, and Controller with a proven track record partnering with executives, boards, and investors to drive performance and value creation across Fortune 100 life sciences, manufacturing, SaaS, healthcare, CPG, and private equity-backed organizations. Provides interim, fractional, and project-based financial leadership, supporting companies through growth, transformation, and critical transitions. Experienced in building scalable finance infrastructure, strengthening controllership and compliance, and supporting disciplined growth. Leads entity restructuring, post-merger integration, and successful private equity exits. Brings deep expertise in accounting, FP&A, treasury, cash flow management, and ERP system transformations (NetSuite, SAP), with a hands-on, operational leadership style.
