

Mark Miller, CPA

Qualifications Summary

Mark is a CPA with over 25 years' experience as an accounting professional. Mark has served as an audit manager and controller in various industries. His time spent in public and private accounting has given him a broad range of experiences over the course of his career. A passion for forensic work, inventory accuracy, account analysis, attention to detail, and financial statement preparation has led to many successful ventures, particularly in inventory-based companies. He has worked with many software packages including ECI, Compeat, PDI Enterprise, Excel, QuickBooks, Great Plains, Salesforce, Visual and other ERP software programs.
