Accomplishments

- Assisted in the bid process for an Alaska Native group to earn increases in annual awards of Alaska bottom fish quota from \$5 to \$17M over six years.
- Doubled market share and gross profits over a 15-year span for a specialty building products manufacturer with seven company-owned factory stores.
- Corrected the causes of \$3-18M inventory variances in the cost accounting system of two manufacturers.
- Coordinated large-scale cost cutting program, saving \$3M during two recessions.
- Assisted in the expansion of an unrelated market channel and development of a new major line of dealership representation
- Negotiated maritime insurance for a \$13M loss claim related to a vessel fire and \$42M in subsequent bank financing required to fund the vessel's reconstruction.
- Completed several ERP implementation projects to cloud-based platforms, integrating with specialized third-party software for process manufacturing, dealership management, freight and logistics, retail e-commerce, and online selling.
- Used a \$20M forex credit line to help a U.S. fish exporter manage risk using an orchestrated system of forward currency hedging contracts.
