Accomplishments

- Led the launch of a non-profit by facilitating the recruitment of its senior leadership team; establishing a \$6M annual budget; awarding over \$5M in grants; establishing its programs and advocacy initiatives; and laying the foundation for its initial strategic planning effort.
- Provided guidance in transitioning an \$80M investment portfolio to net-zero and equity centered.
- Helped launch a \$34M affordable housing fund consisting of public, institutional, and philanthropic capital.
- Managed a \$3M community development loan fund that supported BIPOC- and women-owned businesses.
- Secured \$1M+ in grants, senior, and subordinated debt.
- Negotiated \$2M+ in loan forbearances and workouts with creditors and debtors.
- Initiated and completed a nonprofit M&A transaction with funder consent.
- Conceived, developed, and launched a new technical assistance program that benefited 500+ businesses.
- Purchased and sold ownership interest in a privately held business.
- Grew a self-funded business to 20+ employees in three markets.
- Increased staff productivity 5-fold by integrating accounting, CRM, and asset management systems.
- Served on multiple non-profit boards and public committees including the Portland Clean Energy Fund, Council for Economic and Racial Equity at Prosper Portland, and B-Local PDX.
