

MARIA VALDENEGRO, MBA

QUALIFICATIONS SUMMARY

Maria is an accomplished finance and accounting professional with over 25 years of experience helping organizations of varying sizes improve their financial performance. Her first management role was as an operations supervisor for a logistics company, and she worked her way up to ultimately serve as a healthcare CFO for the last 15 years, giving her keen insight into the needs and challenges inherent at each leadership level. She has mentored new leaders as well as new CFO's and controllers, with a collaborative and fun approach that demonstrates her love of finance. Budgeting, financial statement preparation and analysis, payroll, audit preparation, due diligence, internal controls, and cash management are all functions she has consistently performed successfully.
